

Road • B&W • *Cars on the Road* • March Week 4

Copy on paper. Color and decorate your road in any way you'd like to! Then, take any toy car and drive it along the road.
When you come to a heart, stop and say, "I can love like Jesus!"

Hello! What a fun way to wrap up a month of learning that we can love like Jesus! Have your child drive their car on the road and when they come to a heart, shout "I can love like Jesus." Repeat as often as desired. We learned that the best way to celebrate Jesus, is to love like Jesus. Happy Palm Sunday!
