Activity

Dough Golf

What You Need:

Play-Doh®

What You Do:

“Sit at the table with me. I have a plan for this dough! Listen closely to my plan so you will know what to do. First, break off a piece of your dough and roll it into a ball. *(Pause.)* Great job!

“Next, use the rest of your dough to make a snake. *(Pause.)* Awesome!

“Now, pick up your snake and use it as a golf club to hit your ball. *(Pause)* Yay! You followed my plan and made a golf club and ball. Following plans can be so much fun!

“Today, we heard a Bible story about how God has plans for all of us, just as He had plans for Noah and Joseph. God has a plan for me, and God has a plan for you. Who has plans for you? God has plans for me!”

(If time allows, allow your child to come up with their own plan for how you can next use the dough.)
