

I can talk to God anytime, anywhere, about anything!

Print on cardstock and press a metal brad through the black dot. Hook the end of a large paper clip around the top of the metal brad and bend it up to make your spinner. OR Use a coin to toss up in the air and land on the pictures. Kids will take turns spinning the game spinner or tossing the coin. Encourage children to say, "I can talk to God . . ." and finish the sentence according to the picture. ie: If the spinner lands on the sun, the child says, "I can talk to God in the morning." If the spinner lands on the happy face, the child says, "I can talk to God when I'm happy."
